Product Benefits & Features

Space for any pan, with OvalZone

OvalZone is designed to make sure you can cook with any pan – no matter how large, or uniquely shaped it is.

- 15 power level digital display
- Wipe clean ceramic hob surface
- Residual heat indicators
- Child safety control lock
- 99 minute timer with acoustic signal
- Easy to reach front controls

Total hob management, with Touch Controls

Specify cooking levels, set timers and adjust temperatures with the Touch Controls. The operation panel is embedded directly into the hob's glass. For full cooking control with a few taps.

Residual heat indicators

The hob's residual heat indicators clearly show if the hob is still warm after you're finished cooking.

No overcooking with Timer function

When the timer you've set runs out, the hob will automatically switch off the heat. It can be set to a maximum limit of 1.5 hours, which means that even if you're concentrating on a few different things at once, your meal will be ready when you are.
