

### Reduce time, maximise performance, with Quick Programmes

The Quick Programmes are built for mid-week washes and smaller loads. Choose between the Easy 60-minute wash, Rapid 30-minute cycle, and the 14-minute Refresh wash. For great results, at a time that suits you.

## Product Benefits & Features

### Quick Programmes, more time for you

The Quick Programmes are built into the machine so you can get more done on busy days. The Easy 60-minute cycle is a great all-rounder, while the Rapid 30-minute programme is on hand for smaller loads. And for an extra quick treatment, the 14-minute Refresh cycle can be selected, too.

- Maximum spin speed: 1400 rpm
- Washing capacity: 8 kg
- Washing programs: ON/OFF, Eco 40-60, Cottons, Synthetics, Delicates, Wool, Denim, Sport Wear, Spin/Drain, Rinse, Dark Clothes, CleanBoost, 14min Refresh, 30min Rapid, 60m EasyWash
- Out of balance control of the drum load
- Fuzzy Logic technology, adapting to the load
- Delay start option
- Anti-foam rinse system
- Child lock
- Feet: 4 adj feet
- Anti-flood protection
- 52 l / 0.96 kWh for standard programme

### Give your clothes an effective wash with CleanBoost

The CleanBoost 60°C washing programme provides steam at the end of the cycle, to give your clothes a hygienic and efficient clean. This helps reduce bacteria and allergens from your clothes, and supports better laundry hygiene.

### Reduce the time of cycles, with FlexiTime

You're always in charge with the FlexiTime button, which lets you speed up cycles to suit your schedule. Tap once to activate, and again to subtract some cycle time. You can do this three more times – every time chopping off a bit more of the cycle's overall duration.

### Fewer creases, with EasyIron

The EasyIron programme applies extra care to your laundry cycles, reducing wrinkles and creases in clothes. During the cycle, the drum alternates the direction of its rotation, letting clothes move more freely. So you spend less time standing over the ironing board.

### Delay Start, for convenient washing

Delay Start gives you extra control over your washing machine, so clothes can be laundered on your schedule. You can set the delay in one hour intervals, from 2 – 20 hours, so wet clothes are never left sitting in the drum on those busy days.

**Product Specification**

Product Installation	Free_Standing		ON/OFF, Eco 40-60, Cottons, Synthetics, Delicates, Wool, Denim, Sport Wear, Spin/Drain, Rinse, Dark Clothes, CleanBoost, 14min Refresh, 30min Rapid, 60m EasyWash
Product Typology	Front_Loaded_Full_Size	Program list	LCD
Product Classification	Core	Indicator programme	1400
Installation	FS	Indicators display	Digit LED
Washing technology	Eco flap	Indicators other	Temperature 1 levels, Temperature 2 levels, Temperature 3 levels, Temperature 4 levels, Temperature 5 levels, Cold, Spin 1, Spin 2, Spin 3, Spin 4, No spin, Rinse hold, Prewash, Extra rinse, Easy ironing, Silent, Start/Pause
Rinse system	Anti-foam system	Display type	Digit LED
Cabinet type of	HEC 54 XL	Height total	847
Design family	SAFFRON	Width mm	597
Design level	Z4	Depth mm	568
Main colour	White	Cabinet material	Steel
Panel colour	White	Tub material	Carboran
Front door	RIM XL W	Drum volume	53
Porthole type of	RIM XL W	Washing capacity (kg)	8
