## **POWER SETTINGS**

#### OFF

Slide switch to the top to turn off power. To begin vacuuming, slide switch to the appropriate setting.

#### HARD FLOOR **SETTING**

The brush-roll spins slowly to clean hard floors and low-pile area rugs.

#### **CARPET SETTING**

The brush-roll spins faster to pick up debris below the surface of your carpets.

#### **BOOST MODE**

For an added boost in power, pull the Trigger on the handheld vacuum. Release it to return to standard power.

## LITHIUM-ION POWER PACK

#### In Use

### Charging

#### **Battery Indicator Lights**

NOTE: The LITHIUM-ION Power Pack battery comes partially charged. Charge fully before first use, then run the battery down until it is completely out of power. This will condition the battery so the LED indicators will work properly.

## **CHARGING**

To put the vacuum in storage mode, press the **Unlock** latch while folding the handheld vacuum forward until the wand clicks and locks. Plug the charger into the charging port on the handheld vacuum.

To remove the battery, squeeze the **Battery** Release Button and slide backwards. Plug the charger into the charging port on the battery.
