

RS40 Cordless vacuum cleaner

Winner of six prestigious, international design awards

Intelligent app management

Connect to your smart device via Bluetooth™ for a wealth of information about battery capacity and battery health, cleaning time, remaining dust bin capacity, filter element condition and even the calories you are burning while cleaning. If you just want to clean, there is no need to use the app at all.

First vacuuming. Then wet cleaning. But simultaneously!

Combined vacuuming and wet cleaning.

ROIDMI RS40 is equipped with an innovative dual cleaning system, allowing you to vacuum and wet clean your hard floors in one go. Save time and bother.

BMS-X battery system

with eight LG/ Samsung lithium batteries.

65min. run time (Standard level).

The new BMS-X battery offers 65min run time through innovative cell management. That means you can clean up to to 400m² of floors on one charge.

Washable filter components

The filter can be taken apart and all components can be washed to avoid build-up of dirt and odours.

Six-level, air-purifier quality filtration

ROIDMI's air filtration system in six levels and dual filters cleans the exhaust as efficiently as a real air purifier and helps you maintain a healthy indoor environment.

2020 / subject to change.

Powerful cordless vacuum cleaner capable of simultaneous vacuuming and wet cleaning

ROIDMI RS40 is equipped with an innovative dual cleaning system, allowing you to vacuum and wet clean your hard floors in one go. Save time and bother.

RS40 is silent, user friendly and comes with a full range of accessories including innovative app management.

SPECIFICATIONS:

Suction power: 138W at max level

Noise level: < 83dB(A) at max level

Dust bin: 0.4L

Cleaning modes: 3: Standard / High / Max

Warranty: 5 year motor warranty

Weight: Lightweight / 2.6kg

Colour: White / Black

Display: LED-indicators

Light: Intelligent photosensitive LED light

Battery capacity: 2500 mAh / 72Wh

App: yes
