

# ROIDMI

## S2 Cordless vacuum cleaner

More powerful Suction! Stronger performance!

### Intelligent App-control

Connect to your smart device via Bluetooth™ for a wealth of information about battery capacity and battery health, cleaning time, remaining dust bin capacity, filter element condition and even the calories you are burning while cleaning. If you just want to clean, there is no need to use the app at all.

### Built-in, independent motor

### high-speed rotation and powerful pick-up

The upgraded large Soft Roller brush and the built-in 25W motor provides a strong torque and impressive cleaning power.

### BMS battery system

offers 60min. run time

### Even more efficient!

With the highest quality LG/Samsung developed lithium battery cells, the ROIDMI S2 offers exceptional cleaning power and up to 60 minutes battery capacity on the standard power mode, the S2 can clean areas up to 350m<sup>2</sup> on a single charge. For extra deep cleaning or very dirty areas, the maximum power mode delivers ultimate suction power for up to 10 minutes.

### Upgraded filter system with four-stage filtration

The ROIDMI S2 has a four-stage HEPA-class filtration system that captures particles as small as 0.3microns.

Fine dust, pollen and common allergens remain inside the R20 filter system leaving the air in your home fresher and cleaner.

### Washable filter components

The filter can be taken apart and all components can be washed to avoid build-up of dirt and odours.

# FOIDMI S2

## Cordless lightweight vacuum cleaner with powerful suction!

Blending sleek curves, subtle contemporary colours and class-leading performance, the S2's ergonomic design reduces the burden of cleaning.

The 270° handle offers a wide range of hand grip positions, reducing pressure on the wrist and making cleaning easier. Single button control commands the powerful, high speed digital motor.

### SPECIFICATIONS:

**Suction power:** 130 W at max level

**Noise level:** < 83 dB(A) at max level

**Dust bin:** 0.4L

**Cleaning modes:** 3: Standard / High / Max

**Warranty:** 5 year motor warranty

**Weight:** Lightweight / 2.6kg

**Colour:** White / Light grey

**Display:** LED-indicators

**Light:** Intelligent photosensitive LED light

**Battery capacity:** 2500 mAh / 72Wh

**App:** yes

**Vacuumping and wet cleaning:** -
