

### Efficient, powerful cleaning and easy loading solutions

Series 6000 delivers powerful water coverage with multi-angled spray arm. The control panel has easy-to-operate time-based cycle selection whilst the baskets are spacious, with a height-adjustable upper basket.

## Product Benefits & Features

### Control time and efficiency

SmartSelect display shows the length and energy-efficiency of each cycle. Clean fast in 60 minutes or save energy with the ECO cycle. Spotless results either way.

### Powerful dishwashing. Without using extra water

SatelliteClean® spray arm thoroughly cleans your dishes with powerful spray coverage. Even closely placed or larger dishes receive deep cleaning no matter where they are loaded. And all without using any more water or energy.

### Versatile space to conveniently clean cutlery and utensils

The EasyFlex drawer is designed to fit cutlery, kitchen knives and different-sized utensils, even when large or awkwardly shaped.

### Protection for delicate glassware

SoftSpikes® support and protect delicate glasses. These anti-slip rubber spikes stabilize glasses and mugs to reduce the risk of scratching and chipping. They can also be repositioned and placed where needed.

### Always know when dishes will be done. Remaining time shows on floor

Stay informed about the status of the dishwashing cycle. While the cycle is still in progress, TimeOnFloor projects the remaining cycle time in clear digital numbers on the floor. Simple. Straightforward. Effective

- Energy efficiency (2010/30/EC): B
- Installation: FI
- 8 programmes, 3 temperatures
- Dishwasher programmes: 120 Minutes, 60 Minutes, 90 Minutes, AUTO Sense, ECO, Machine care, Quick 30 Minutes, Rinse & Hold
- Text/symbol panel
- Touch control for programs and functions selection
- Auto Off function
- Thermo Efficient Technology
- Warm water connection up to 60°C
- Delay start option from 1 to 24 hours
- Remaining time indication
- Water sensor detects the level of dirt and adjusts water consumption
- Indications for salt and rinse aid
- Upper basket with 2 rows of fixed tines, 2 Soft Spikes, Foldable cup shelves, plastic handle AEG
- Lower basket with GlassBasket, Low round rack frame, 2 rear foldable tines, plastic handle
- EasyFlex, Knife rack holder
- AQUA-CONTROL
- Built-in H(min/max)xWxD (mm): 820/900 x 600 x 550
