

High cleaning efficiency. Spacious, versatile baskets

Series 8000 delivers powerful cleaning to remove baked-on or dried food residues. Versatile, smooth-gliding baskets with folding sections and unique glass-holders. High-efficiency water system uses as little as 8.4 litres of water.

Product Benefits & Features

SatelliteClean® Pro: Stubborn food residues, meet effective technology

The SatelliteClean® PROs double rotating spray arm efficiently delivers water from multiple angles. The result is 100% removal of stubborn food-residues in only 90 min without using extra water

EasyFlex Plus baskets offer versatility and secure glass care

Redesigned, EasyFlex Plus baskets glide smoothly and have three foldable rows to make room for hard-to-fit items. Rubber grips and anti-slip spikes hold stemware in place and prevent collisions. Cutlery drawer even fits whisks and ladles.

ZoneClean: Intense on pots and pans, gentle on glasses

Activate ZoneClean to maximize the spray arm's water pressure to scrub pots and pans in the lower basket while keeping pressure gentle on delicate glasses in the upper basket. Two cleaning zones, no extra water or energy use.

Save water every time you clean. Efficient. Powerful

AquaSave, our re-engineered water control system, activates spray arms individually, distributing water only to the spray arms where it's needed. This reduces water consumption to as little as 8.4 L. With no compromise on cleaning results.

Control time and efficiency. On the display or in the app

SmartSelect Connect display and app show the length and energy-efficiency of each cycle. Clean fast in 60 minutes or save energy with the ECO cycle. Spotless results either way. The app offers loading, program, and maintenance advice.

- Energy efficiency (2010/30/EC): A
- Installation: FI
- 8 programmes, 4 temperatures
- Dishwasher programmes: 120 Minutes, 60 Minutes, 90 Minutes, AUTO Sense, ECO, Machine care, Quick 30 Minutes, Rinse & Hold
- Text/symbol panel
- Touch control for programs and functions selection
- Auto Off function
- Thermo Efficient Technology
- Warm water connection up to 60°C
- Delay start option from 1 to 24 hours
- Remaining time indication
- Water sensor detects the level of dirt and adjusts water consumption
- Indications for salt and rinse aid
- Internal light for optimal visibility in the dishwasher
- Upper basket with 2 front folding tines for glasses with tine caps, 2 front folding tines for saucer with tine caps, 2 Soft Spikes, 6 wine glass soft grips, Foldable cup shelves, Stainless steel handle AEG
- Lower basket with 2 front foldable tines with tine caps, 4 rear foldable tines with tine caps, Plastic handle, Tall flat rack frame
- EasyFlex Plus, knife holder folding
- AQUA-CONTROL
- Built-in H(min/max)xWxD (mm): 820/900 x 600 x 560

Product Specification

Installation type	Built_In	Depth, mm	560
Product Typology	Full_Width(60cm)	Tub material	Stainless Steel
Installation	FI	Heating element type	Interheater
Cabinet type of	60 FI IRIS82	Inlet hose type	Aqua control
Panel colour	Black	Inlet hose length, cm	180
Door colour	None	Water supply	Cold or Hot
Side walls colour	Rough zinc coated	Anti-flood device	Floating switch
Electronic type	Level 3	Drying system	AirDry Technology
Push button functions	DELAY START, Extra Silent, GlassCare, My Time, ON/OFF, Program selection, ZoneClean	Softening regulation	Manually, 10 steps
Knob/Command func.	Program selection	Top spraying level	Ceiling spray arm
Number of programs	8	Lower spray arm	SatelliteClean Pro
Number of temperatures	4	Flat filter material	Stainless steel
Dishwasher programs	120 Minutes, 60 Minutes, 90 Minutes, AUTO Sense, ECO, Machine care, Quick 30 Minutes, Rinse & Hold		
Indicator program	LED Display		
Indicators display	Delay start, Programs, Remaining time, Service code		
Indicators other	Buzzer, Delay start 1h-24h, Extra Silent, GlassCare, Rinse aid, Salt, TimeOnFloor, ZoneClean
