

**Added cooking flexibility**

Designed to co-ordinate with your traditional AEG oven, widening the range of cooking options available, and providing extra oven space.

Designed to co-ordinate with your traditional AEG oven, widening the range of cooking options available, and providing extra oven space.

**Product Benefits & Features**

**All it takes is a touch to open the microwave**

The microwave oven has been designed with an electronic, touch-activated door. This means that it opens with just a tap. Providing quick and convenient access to what is inside.

- litre capacity
- Auto weight defrosting programmes
- 24-hour digital clock with auto timer
- Audible cooking end signal
- Child lock
- Anti-fingerprint stainless steel
- Supplied with instruction book with cooking chart
- Glass turntable

**Instant access to customised functions**

Frequently used microwave settings can be saved and accessed quickly with the favourite functions. Once a customised programme has been set, simply activate it via the star-shaped icon. No need to remember the exact settings each time. It's convenience, at a touch.

**A sleek design for quick cleaning**

Cleaning is at its most convenient with this microwave oven. Its sleek design means that there is nowhere for dirt to get stuck. No buttons. Just a smooth glass surface. Ensuring a spotless finish every single time.
