

NEW

# AV249TS

24" Smart HD TV

Avtex | VIDAA  
The smart platform designed  
for your Mobile Life

## Description

### All the benefits of a 24" screen

The New Full HD Frameless AV249TS is a fully loaded 12/24V DC / 240V Dual tuner Smart television with the latest Avtex | Vidaa mobile Smart platform designed specifically for the caravan and motorhomes.

Briming with exciting features and content. Connect the AV249TS to the internet and discover a whole new world of entertainment from premium streaming services such as Netflix, Amazon Prime, Disney+, YouTube and much more, plus all the UK catch up services such as BBC iPlayer, ITVX, All4, My5 with Freeview Play.

Pair via Bluetooth connection to the SB195BT to immerse yourself in deep, rich velvety tones (other Bluetooth enabled devices are compatible). Wirelessly cast from your mobile device to the AV249TS, compatible with both Apple (iOS) and Android devices, and share photos, movies and musical content. Watch Full HD content through your regular aerial or satellite dish without the need for extra equipment.
