## PRODUCT SPECIFICATION

|                                        |
|----------------------------------------|
| Group: White Good - MDA                |
| Category: Fridge-Freezer               |
| Installation: Freestanding             |
| Barcode: 5 021961209870                |
| SKU: 209870  Model : HK240IX           |
| HS Code: 84182191                      |
| Weight: 52kg                           |
| Product Dimensions: H173 x W55 x D58cm |

## CAPACITY

|                                             |
|---------------------------------------------|
| Total Capacity: 248L                        |
| Fridge Capacity: 138L                       |
| Freezer Capacity: 110L                      |
| Fresh Food Freezing Capacity: 5.0 kg / 24hr |

## ELECTRICAL

|                                                |
|------------------------------------------------|
| Voltage/Frequency: 220–240V ~ 50Hz             |
| Power : 100W                                   |
| Power Cord Length: 1.6m                        |
| Plug: UK BS                                    |
| Waste Electrical Recycling (WEEE): Cat 1B / 12 |

## ENERGY & PERFORMANCE

|                                       |
|---------------------------------------|
| Energy Efficiency Class: <div>E</div> |
| Energy Consumption: 217 kWh/annum     |
| Noise Level: C                        |
| Measured in decibels (dB):. 40        |
| Refrigerant: R600a                    |
| Climate Class: N, ST (16C - 38)       |

## ADDITIONAL INFORMATION

|                                       |
|---------------------------------------|
| Certifications: RoHS, CE              |
| Safety Features: Flame-retardant back |
| Inner / Outer: 1 / 1                  |
| Country of Origin: China              |
