

- Family-friendly 9kg wash load capacity.
- Digital control panel featuring 16 programs and cycles, including cotton eco, drum clean programme, and more.
- Program memory function to set up customizable programmes.
- Delayed operation with 0-24h delay time program
- Pre-wash function as extra washing function before the main washing cycle starts increases the washing performance.
- Acoustic end-of-programme signal with a mute option.
- Detergent dispenser with 3 compartments: liquid detergent, powder detergent and softener.
- Safe to use with a child lock system that keeps children from misusing the controls.

SKU: HWDI1480 –201614

**TECHNICAL SPECIFICATIONS:**

- Power: 1900W | Voltage: 220-240V | Frequency: 50Hz
- Cable length: 1.5m | BS Plug | Max current: 10A
- Weight: 64Kg
- 2-year warranty on parts & labour
- EAN number: 5021961201614
- Spin drying efficiency class: B
- Energy efficiency class for the complete wash cycle: B
- Energy efficiency class for the complete wash & dry cycle: E
- Rated power: 1900W
- Washing capacity: 8KG | Drying capacity: 6KG
- Dimensions: H82.5 x W59.5 x D54 cm
- Noise level of spinning 78dB (A)
- Max spin speed: 1400RPM
- Standard water pressure: 0.05MPa – 1 MPa
- Inner/ Outer: 1/1
