Features

Flavour

- # up to 29 different coffee specialties (within appliance and Home Connect app)
- # warm milk, milk froth and hot water function
- # aromaSelect – 3 different aroma profiles (mild-balanced-distinctive)
- # adjustable milk ratio for classic milk-mix beverages
- # intelligent strength adjustment – adaptive coffee management based on strength and size
- # aromaDouble Shot – less bitterness in large beverages due to two brewing processes

Convenience

- # Favorites: save up to 10 personalised beverages
- # height adjustable beverage outlet (up to 14 cm (max) high glasses)
- # oneTouch DoubleCup – get two cups at the touch of a button
- # 2.4 l removable water tank

Performance

- # ceramDrive – high-quality grinder made of wear-resistant ceramic
- # water pump with 19 bar pressure

Hygiene

- # autoMilk Clean – automatic steam cleaning after every drink
- # calc'nClean – combined descaling and cleaning program for less effort
- # removable brewing unit – for easy and hygienic cleaning
- # dishwasher-proof: beverage outlet, drip tray and drip pans
- # automatic reminder for cleaning, descaling or water filter change

Home Connect

- # remote control – operate your appliance from everywhere
- # coffeePlaylist – select several drinks in the app, prepared in your chosen order
- # additional coffee know-how
- # software update – always the newest software status
- # online support
- # Security: Security is of top priority at Home Connect. The Home Connect app has been tested and certified by TÜV IT. And the encrypted data transfer via Home Connect protocol protects against unauthorised access.

- # 350 g bean container with aroma protection lid
- # adjustable grinding degree (multi-level)
- # child lock
