Short Form T&C's

UK residents (excluding NI) 18+ only. Available to new and existing British Gas residential electricity credit customers only. Samsung Tariff gives half-price discount on the unit rate used on Saturday and Sunday between 11:00 AM and 4:00 PM. Open to existing and new Samsung customers who already own or purchase a qualifying Samsung product between 20/10/25 – 31/10/26. All Customers must set up or log into their Samsung Account to access a link to the designated British Gas Samsung Tariff sign up page and input their details. The Samsung Tariff is subject to British Gas Samsung Tariff ts&cs which can be found at <https://www.britishgas.co.uk/samsungterms>.

Smart meter required. The tariff rates offered will vary due to changes in commodity prices. Customers will not receive a PeakSave Sunday credit in addition to the Sunday credit provided on this tariff. Customer must sign up to the Tariff before 31 October 2026. One Samsung Tariff per qualifying Samsung product. For list of qualifying Samsung products and ts&cs see www.samsung.com/uk/britishgas/samsungterms
