

WOOD'S DEHUMIDIFIER

MRD20GW Wi-Fi

IDEAL FOR:

Standard, heated living areas and for drying laundry

- ✓ Creates a better indoor environment and guards against mould and odours
- ✓ Quiet operations
- ✓ Gently dries laundry in heated spaces

The MRD20GW is a versatile dehumidifier specialised for standard, heated living areas, offering efficient moisture removal and comfortable humidity levels. Its compact design and convenient casters ensure easy mobility, allowing you to place it wherever it's needed most.

Enhance your experience with the MRD20GW using the Wood's Connect Smart App, which allows convenient control of the dehumidifier from your smartphone or tablet.
