Whip up tasty meals with the Series 20 Traditional Gas hob. Cooking with gas is responsive and easy to control, making it the perfect choice for a family with varied tastes. Confident cooking made easy.

**Product Benefits & Features****Perfect Flame Regulation, for perfect temperature**

The hob's responsive gas taps feature Perfect Flame Regulation. Giving you complete control over the temperature you want to cook your favourite dishes with.

- Front left: Rapid pureflame burner
- Front right: Simmer pureflame burner
- Rear left: Semi-rapid pureflame burner
- Rear right: Semi-rapid pureflame burner
- Stylishly one-piece hob surface for easy cleaning
- Side rotary controls
- New flat design

**Easy cooking, with Integrated Ignition**

Get cooking quickly with Integrated Ignition. To activate the cooking zones, simply press the temperature knob down and turn.

**Gas Safety built in**

The built-in Gas Safety feature offers peace of mind in the kitchen. If the flame were to go out accidentally while you're cooking, the hob will automatically switch the gas off, too.

**SlimDesign hob, for the modern kitchen**

The stainless-steel SlimDesign hob barely rises above the counter top, for a seamless kitchen finish. And its raised edge will prevent any spillages from running onto surrounding surfaces.
