

## Product Benefits & Features

### Hydrated. Healthy. With TwinTech® No Frost

The Bright fridge-freezer with TwinTech® No Frost technology uses two separate independent cooling systems one for the freezer, one for the fridge. By ensuring optimal humidity in the fridge, it never needs defrosting.

- Large capacity food storage space
- Frost free
- Automatic defrost in fridge
- Super Cool function
- 1 full width salad drawer
- 2 full width door shelves including bottle shelf
- 1 full width covered dairy compartment
- Removable egg tray
- 3 freezer drawers (including Maxi-box)
- Reversible door hinge

### Protect the quality of your ingredients with MultiFlow

MultiFlow delivers stable temperature across the fridge-freezer. Multiple air channels in the back wall circulate cold air, making sure it reaches every shelf. Maintaining the quality of all of your groceries.

### Premium flat door design, for the contemporary kitchen

Get the stylish kitchen you want with this flat door fridge-freezer. It will easily become the centrepiece of your kitchen, with a clean-cut design with no protruding endcaps and a seamless look that continues all the way to the floor.

### Keep greens healthy, with Humidity Control

Keep fruit and vegetables looking and tasting their best with the Humidity Control drawer. The feature controls the amount of moisture in the air, creating the perfect environment in the fridge.
