

### Oven and microwave combo, for quick results

Merge the power of True Fan Cooking and speed of the microwave with the Series 60 CookQuick Oven. You can easily create delicious results in up to half the time.

---

Merge the power of True Fan Cooking and speed of the microwave with the Series 60 CookQuick Oven. You can easily create delicious results in up to half the time.

## Product Benefits & Features

### Microwave and grill work together, with Fast Cooking

Combine the crispy finish of the grill, with the speed and cooking efficiency of the microwave with the Fast Cooking function. Quick, perfectly cooked results, made easy.

- Economy variable grill
- Top heat
- Bottom heat
- Fan controlled defrosting
- Retractable oven controls with LED display
- Oven features:
- Auto safety switch off and child lock
- Pizza cooking
- Clean 'n' clear enamel interior
- Chrome grid runners with auto-stop anti-tip shelves

### 40% quicker warming, with Fast heat-up

Get your meal cooking sooner with the Fast heat-up function. Warming the oven 40% quicker than the standard.

### Guided time control

The LED display takes all the guesswork out of choosing a temperature, able to suggest heats based on whichever cooking function you select. But if you like being in control, you can still adjust temperatures if and when needed, and set start and stop times.

### Convection oven, for Even Cooking

The hot air generated inside the oven during cooking is moved around with a fan, so all your dishes receive the same amount of heat. This lets the oven heat up faster, which means you'll get the same results using 20% lower temperatures, saving time and using less energy.

### Built in grill function

Crisp bacon, sizzle sausages, or finish the cheese on a delicious lasagne, with the grill function. Place your ingredients on a rack near the top of the oven, and expect delicious results.

**Product Specification**

Plug	No
Self-Cleaning?	Clean enamel
Cavity coating	Grey Enamel
Dimensions (mm) (HxWxD)	455x595x567
Dimensions (Built-in, mm)	450x560x550
Total electricity loading, W	3000
Voltage (V)	220-240
Required Fuse	16
Frequency (Hz)	50
Cord Length	1.5
Temperature range	30°C - 230°C
Maximum Microwave output (W)	1000
Cavity Size (L)	43
Largest Surface area	1424
Colour	Stainless steel
Noise	53
Energy class	No
Energy consumption per EU standard cycle	0
ProdPartCode	All Open
Top Oven Cooking Functions	Bottom, Fan + light, Grill + fan, Grill + top, Light, Microwave, Ring + bottom + fan, Ring + fan, Top, Top + bottom
