

PSTI Statement of Compliance

Manufacturer

Withings
2 rue Maurice Hartmann
92130 Issy Les Moulineaux
France

Withings manufactures and provides health-connected devices for consumers within the United Kingdom. Those connectable devices fall within the Product Security and Telecommunications Infrastructure Act 2022 scope.

We, Withings, declare under our sole responsibility that the below-name product (s) conforms to the applicable requirements of the Product Security and Telecommunications Infrastructure Act 2022 by complying with the provisions of ETSI EN 303 645 in the manufacturing of our products. Withings has been certified ISO 27001:2017 and ISO 27701:2019 after audits performed by an external body.

Therefore, Withings states it is compliant as defined in Schedule 2 of the Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023.

Type of product:	Health-connected device
Model	WPM05
Support period for the product:	3 years

You can find more information about our security practices on our [official website](#)¹.
